We are excited to announce that WALMER GOLF CLUB will be one of the more than 100 clubs involved in the NATIONAL GOLF DAY.
If you haven’t seen the advert, or visited the website, the National Golf Day is a day dedicated to golfers. Just like National Braai Day, it is all about doing something you love, playing golf.
The National Golf Day has managed to secure ALL 6 living South African major winners to participate in the golf day, where you as an everyday golfer can challenge all of them in a live scoring competition. Proceeds on the day will go to charities that support golf, but we would like to encourage you to click below to sign up and play on the day.
The National Golf Day will tee off on the 3RD SEPTEMBER 2018 and we are doing green fee specials for all guests and members.
Register today and be part of the biggest and coolest golf day in South African history.

Kind Regards
